Community Chest Seeks Aid Of Area Residents

The United Crusade of Will County is in full swing this week and probably a few days next week.

George Archibald of New Lenox is chairman for Will county outside of Joliet. The goal is to collect by cash donations or yearly subscription, the sum of \$577,086 to carry on the work for 1966.

Dwight Egle is chairman for New Lenox and Mrs. William Semmler for Mokena. Mr. Egle is looking for a chairman to serve the Village of Frankfort. The money so collected last year was spent in Frankfort by aiding 391 persons in Red Cross, teaching swimming, etc.; helped 390 Boy Scouts; 13 persons aided thru the Catholic charities; 7 families were assisted; 173 persons aided when ill in Silver Cross hospital; 17 4-H Girls and 26 helped to service thru the YMCA.

In New Lenox there were 979 helped by the Red Cross; two boys in The Boys' Club; 110 Boy Scouts; eight per-

sons in the Catholic Charities; 85 in the CYO; 86 families assisted thru the Family Service; 222 Girl Scouts; services in Silver Cross hospital paid for 614 persons; 32 4-H Girls; 168 aided at the YMCA; 4 persons in the Comm. Br. of the YMCA; and 77 persons in Public Health.

Mokena Sells Bonds For Water Project

Thayer and Co., of Davenport, Ia., is the purchaser of the \$105,000 of water works bonds offered by the village of Mokena.

Thayer and Co.'s bid of a 3.59 per cent interest was the lowest of three submitted. Another Davenport bond firm, Quail and Co., was second low with a bid of 3.64 per cent, and the other bid of 3.69 per cent was submitted by the Mokena State bank. The interest on the bonds sold to Thayer and Co. will total \$40,092.50, according to Village Attorney Ronald Galowich, who tabulated the bids.

Sinking of the new well, one of the prime items in the water improvement program, is held up by legalities. The village is still waiting for an opinion on the title of the proposed site for the well on Denny st.

It is possible, according to a discussion at the last board meeting, that the village will have to seek another site. Not much area would be required, possibly a tract 25 feet square plus an easement for access to the main running from the well, would suffice, it was said.

The water storage tank that stands on the village

hall site has been re-roofed and the tank drained, cleaned out, scrubbed and treated with chlorine. This work was done last Saturday. It was necessary to shut the water off twice, for approximately 10 minutes for each period, in order to complete the task.

The village board is planning to purchase a new frost casing for the pipe that carries the water into the storage tank. The cost is estimated at about \$1,300, including installation. The village was unable to get a frost casing that had been used on a well in another community, it was explained.

A motion to spend approximately \$800 to provide toilet facilities at the village hall was tabled for 30 days.

Book-Krisan Vows Said At Grace Episcopal Church

Church bells pealed at 1 o'clock at Grace Episcopal church, New Lenox, on Saturday, July 24 when Miss Margo Lee Book became the bride of Daniel Michael Krisan.

Father James Harper performed the double ring ceremony, uniting the daughter of Mayor Eric G. Book of 11022 Third st., Mokena, and the son of Mr. and Mrs. George Krisan of 10050 West 127th St. Palos Park. Serving Father Harper during the wedding was James Book, brother of the bride.

The bride was escorted by her father to an altar enhanced with baskets of ferns and flowers. She wore a fingertip length French illusion veil with a small pill box hat. Her floor length gown was white taffeta with an overlay of lace tiers. Aurora borealis sequins were embroidered on the scalloped neckline and scattered over the entire gown. She carried a cascading cluster of white gladiolus.

Mrs. Michael Warner of Mokena attended as matron of honor. She wore a light blue nylon floor length gown. The empire waist line was accentuated by a white satin ribbon, white opera length gloves and hat. The dresses were designed and made by the bride.

Dressed identically with Mrs. Warner were the bridesmaids, Miss Paula Palen and Miss Lisa Schoeder, both of Valparaiso, Ind. and cousins of the bride. The matron of honor and the bridesmaids carried pink and white Dutch gladiolus.

Carol Redelman of Valparaiso attended as flower girl. She was wearing a

pink nylon ankle length tiered dress and carried a white basket with pink and white rose petals.

Arbury Hills

"Autumn Leaves" Theme Of Fun Fair

MRS. EDWARD HOVI
Telephone: 469-5740

The annual Arbury Hills school Fun Fair is now only a little more than one week off. The date to leave open is October 23, a Saturday. It will be an all-day affair providing ample opportunity for everyone to attend whatever your working hours or shopping trips might be.

The Autumn Leaves theme of the Fun Fair will see the familiar setting of fall and Halloween decorations brightening up the scene.

There will be a variety of games and booths to satisfy the tastes of all ages and inclinations. In order to give mother a cooks day off, there will be a spaghetti dinner served at the school. The prices will be reasonable, so that dad will not have to pout all day, and there will be plenty left over to keep the kids happy.

The First Nighters held their October meeting at the home of Mrs. Rose Menzner on Oak st. The winner of the hostesses prize was Mrs. Will Way, and the get together for November will be held at the home of Mrs. Richard Helm on Hickory st.

The first pack meeting of the Cub Scouts, which had been scheduled for last Friday evening, found itself with a last minute cancellation. It has been re-scheduled for this Saturday afternoon, October 16, beginning at 3 p.m. It will be held in the all-purpose room of the school.

At this pack meeting all the "oldtimer" Cub Scouts, as well as the all interested boys who are not as yet entered in the scouting program will attend. All boys between the ages of eight and not yet eleven, and reside within the Summit Hill School District, are eligible to participate.

The parents, as well as the boys, are expected to attend and lend a hand to make scouting a success.

This meeting will not interfere with the parents get-

ting out to vote on the bond issue for the school addition. The adults may vote either on entering prior to the pack meeting or, if you are pressed for time, upon leaving, since the voting booths are at the school.

The Cub Scouts attended their final Chicago White Sox baseball game at Comisky Park on Saturday, Oct. 2. It was an ideal game for the youngsters to see, with the Sox hitting two homers and a veritable parade of hits. Incidentally, the Sox won the game by the score of twelve to nothing.

The Summit Hill Parent-Teacher Group will hold its meeting tonight, Thursday, Oct. 14 at 8 p.m. The business meeting will be kept quite short to leave plenty of time for the special program of the evening.

The well known lecturer and humorist from the Joliet area, Miss Irma Agazzi, has graciously consented to make her appearance.

She will present a travel film, which she personally took on her recent trip to Africa. The film includes travels through Egypt with its Pyramids and the Sphinx, Ethiopia, Kenya, Southern Rhodesia, and Malawi.

You will see her climb of Mount Milamanjaro, the highest known waterfalls, the Victoria Falls, and she will tell of her Christmas season spent in a mud hut in a small remote village in the African country of Malawi. This being the first time the natives had seen white people, it proved most interesting for both sides.

This program being of such widespread interest to all people, the Parent-Teacher Group wishes to announce specifically that the meeting is open to the public, and there will be no charge for admission.

It can be expected that a good crowd of people will attend and make Miss Agazzi feel that her evening is well spent here in our community.

Open Letter from the Hirschs

Dear friends,
Most families decide in advance upon a doctor in whom they have confidence to call in an emergency. In like manner, it is wise to decide upon a funeral director in whom you can place your confidence in time of need. Select this man in advance, when good judgment is not upset by the stress of your grief.

Respectfully,

'66 CAPRICE

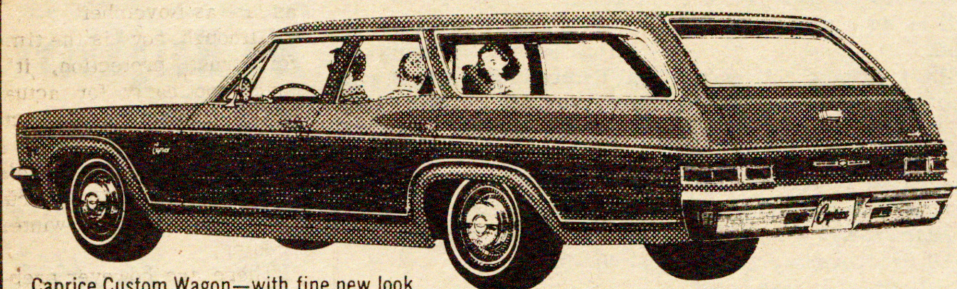

BY CHEVROLET

Caprice Custom Coupe—with exclusive formal roof line that comes on no other Chevrolet.

Caprice Custom Sedan—with superb new Body by Fisher elegance inside and out.

Caprice Custom Wagon—with fine new look of hardwood paneling on sides and tailgate.

Everything it takes to create a distinguished luxury car has gone into these new Caprices.

Beneath the formal styling elegance that sets the Custom Coupe apart, for instance, you'll find thick wall-to-wall carpeting, comfort-contoured seats and the look of hand-rubbed walnut on the instrument panel, glove compartment and inside door panels. You can order a finely instrumented console, together with new Strato-bucket front seats.

In the Custom Sedan, a new Strato-back front seat is available with bucket-type contours separated by a fold-down

armrest. And in the equally opulent Custom Wagons, offered in 2- or 3-seat models, you can even order carpeting for the cargo area.

Each model rides super Jet-smooth. And for incomparably smooth power, you can specify Chevrolet's advanced Turbo-Jet V8 in either a 396- or 427-cubic-inch version.

The price of it all? Somewhat more than you're used to paying for a Chevrolet. But less, as your dealer will happily confirm—than the select class of fine cars these new Caprices invite comparison with in every detail.

Annual Halloween Party At School

MRS. EMIL WILLE Telephone: 469-5277

Plans were discussed at the executive board meeting of the Ann Rutledge PTA last Monday about the annual Halloween party to be held at the school. This party has become a tradition in the community and is looked forward to by the young and old alike. Since it involves a great deal of work, volunteers are needed to help make the affair a success.

The executive board met in joint session with members of the school board and faculty and the purpose of the meeting was to discuss the problem confronting Lincoln Estates due to the lack of space in the school. Because of the growing enrollment, classes are now being held in the basement. This condition not only cuts down on the only space the community has for a public meeting place, but it endangers the state requirements for adequate class rooms and

some type of physical education program.

The PTA also offered to help with the money-raising program to provide the school with some of the equipment which is so badly needed to put the students on a par with other students in the area.

Because of the lack of industries in Lincoln Estates, the school does not have sufficient tax money to provide the children with these advantages.

Investment ceremonies for Boy Scout troop #237 were held Tuesday evening in the home of Richard Smith, Scoutmaster. The following boys received their tenderfoot badges during the candlelight ceremonies; Larry and Ricky Griffin, Bruce and Ricky Staton, Tom Wolcott and Jay Lyons. The parents of the boys also attended the meeting.

Burros Lose 2 Outside Games

The Burros lost two non-league games last Sunday. The Junior varsity 100 lb. team lost to the toughest team they have encountered this year, Hoffman Estates, a community near Elgin. The final score was 38-7. The only bright moment was a 70 yard touchdown run by Ken-ny Fortman, Mokena.

Bad luck and the absence of three first team back-field men hurt the Mokena offense noticeably.

In the second game the varsity team was beaten by the improving New Lenox Mustangs, 38-0.

Next week the Burros go to Midlothian for a league contest.

Too Much McGee—Eagles, 41; L-W, 0

BY TOM SCARTH

It was just too much of Carl Sandburg's Jim McGee for the Lincoln-Way Knights last Saturday. The Eagles rolled over the Knights by a score of 41 to 0.

In the first quarter, the Knights received the ball at their own 31 yd. line. Three plays later, Drew Carley intercepted a pass for Sandburg. A series of running plays brought the ball to within inches of the Knights goal line where Jim McGee ran over for his first touchdown of the day. Dick Henderson kicked the extra point making the score 7 to 0.

The Knights received the kick on their 35 yard line, but lost yardage and there-

fore kicked to their own 48 yard line. The quarter ended with Sandburg in control.

The second quarter opened with Sandburg moving the ball to the Knights' 12, where again, McGee ran it over. Hendersons kick was good making the score 14 to 0.

The Knights received the Eagles kick on their own 33 yard line, but couldn't move the ball in their series of downs and had to kick. Jerry Krueger boomed a punt that ended up on the Eagles 34.

Again, the Sandburg's offense was on the go, moving the ball to within the 25 yd. line of the Knights. Quarter-back Tom Hofferica gave the ball to McGee, who fought 22 yds. for the touchdown. Henderson's kick was no good, making the score at the end of the half 20 to 0.

The Eagles dominated the third quarter, scoring twice. McGee ran the first touchdown from 15 yard out and Henderson's kick was good making the score 27 to 0. Rudy LaVine made the other touchdown by running four yards. Henderson's kick was good again, making the score 34 to 0. The Knights had the ball for only four downs during the quarter.

In the 4th quarter Sandburg's last touchdown came, when Jim McGee blocked a Lincoln-Way punt that rolled into the end zone. Again Henderson's kick was good, making the final score 41-0.

Hints For Homeowners

If fall is here can winter be far away? Certainly not when we think of the potential nightly invasions of frost that occur long before winter sets in for good.

There are two types of protection that can be used at this time of year, fall frost protection and full fall winter protection. Frost protection takes advantage of the natural stored heat of the earth. If insulating materials are placed lightly over the tops of the plants this heat is trapped, thus warding off possible frost. The insulating materials may be newspapers, old blankets or even large sheets of plastic. Large sheets may be purchased off rolls that may be six to twelve feet wide and as long as you wish. When handling such large sections of material it takes only a few seconds to protect the average size garden.

You should look for possible frost on clear windless evenings. Carefully protected, some semi hardy plants such as roses can have their blooming season extended to as late as November.

Although now is the time for frost protection, it's much too early for actual winter protection. In fact, my roses right now are in a good stage of bloom. There's certainly no reason to cut this bloom short by winter pruning.

There are however preparations that you can make for winter. Evergreens should be thoroughly watered before the ground freezes. Fertilization at this time has been found to be even more effective than in early spring. Although mulches should not be applied until after the ground is thoroughly frozen, you can start collecting the material now.

Young plants, especially evergreens, less than three years in a location should be protected from winter wind and sun. This can be done by erecting two sided lath cages or covering with burlap.

Older evergreens such as some aborvitae may need protection from the weight of the snow. Simply attach a cord to the base of a branch and spiral upward and attach.

Winter is coming without a doubt. However, we can squeeze every last bit of bloom and fruit from the garden by proper frost protection and not starting winter protection too soon.

St. John Women Plan Turkey Dinner Oct. 19

Telephone: 479-3521
The Women's Fellowship of St. John's United Church of Christ will have their annual turkey supper on Tuesday, Oct. 19 in the church dining room. Serving will be from 5 until 8 o'clock. Tickets will be available at the door. Prices are \$1.75 for adults, \$1.00 for grade school children and no charge for pre-schoolers. The public is invited to attend. Serving will be family style.

The regular monthly meeting of St. Mary's Altar and Rosary Society will be held in the gym on 116th st. and 195th st. on Oct. 14 at 8 o'clock. After a short business meeting, the ladies will entertain the faculty of St. Mary's school.

The occasion will be the annual Nuns' Shower. This event is usually well attended and enjoyed by all. Games will be played and refreshments served. The evening provides an opportunity to socialize with the faculty in a different setting than the usual classroom atmosphere. This year, many new sisters have joined St. Mary's staff, plus seven lay teachers. It is a far cry from the original faculty of three nuns who commuted to Mokena from Joliet when the school began. All the ladies of the parish are invited, indeed urged to attend the shower. The members of the Altar and Rosary Society will receive communion in a body at the 9 o'clock Mass on Sunday, Oct. 17.

Leroy V. Harling, Center st., will address the congregation at St. John's United Church of Christ, 11100 Second St., during a special men's Sunday service this Sunday. The service will be-

gin at the usual time, 10:45 a.m., and nursery care by volunteers will be provided.

Several members of the St. John's Men's Club will share in leading the service with the Rev. Laslo Hunyady, minister.
